

Part A

**NATIONAL SOCIETY OF PROFESSIONAL INSURANCE  
INVESTIGATORS FOUNDATION, INC.**

The National Society of Professional Insurance Investigators Foundation is the charitable arm of the National Society of Professional Insurance Investigators (NSPII), which is a non-profit organization established for the purpose of providing support, education, and training to individuals who demonstrate the highest degree of professionalism in conducting insurance investigation. The Foundation has been established to promote education, training and other support services in the realm of insurance investigation through project funding, grants, and scholarships. The goal of the Foundation is to educate the public about the problem of insurance fraud and to do everything possible to prevent insurance fraud, and to mitigate the societal and economic cost of insurance fraud, with support provided through funds raised from the public and private sectors, including government, corporate and private donations, distributed to worthy educational and training projects and programs, and public interdiction agencies such as fire department and other law enforcement offices.

**Part B  
GRANT APPLICATION**

*(Please answer all questions in the space provided.)*

1. Please give a detailed background of yourself or your organization.

***National Society of Professional Insurance Investigators Foundation, Inc.***

---

2. Please give a narrative statement describing the nature of your project, the objective of the grant and exactly how the funds will be used.

***National Society of Professional Insurance Investigators Foundation, Inc.***

---

3. Please give a narrative statement, describing fully how your project complies with the mission of the National Society of Professional Insurance Investigators Foundation.

Part C  
BUDGET

**Please provide a projected budget for the project.** Additionally, the following related questions must be answered (additional pages may be attached):

- a) Will matching or additional funds be needed from other sources? If yes, please identify those sources and elaborate on the value of the proposed Foundation grant as a catalyst in enabling the applicant to obtain support from other sources.
- b) Give the date the funds will be needed. Should the Board decide not to fund this grant at one time, please state each date when funds will be needed.
- c) Should you request not receive full-funding consideration, what is the minimum amount that would be beneficial?
