

Educators. Persons who, as their primary occupation, engage in educating the various membership categories of the National Society shall be eligible for membership. These members shall be classified as auxiliary members, subject to *Section 6: Membership Classification - Auxiliary Member*, sections A (i), B and C. In addition to its other powers, the National Executive Board has the discretion to decline any such Educator's application for membership, or terminate any such Educator's membership, if the Educator's occupation or activities have been in the past, or become, adverse to the Society.
