Speaker: Kurt Bergman, P.E. and Luke Sharara, P.E.

Topic: Identifying Simulated Hail or Wind Damage to Roofing Materials and Roof Accessories
Description (1 hour)

Description: This presentation discusses manufactured damage that is intended to simulate hail or wind damage to roofing materials and roof accessories, such as vents. The presentation focuses on asphalt composition shingles. The identification of damage characteristically caused by hail or wind will be presented and compared to simulated damage. Site inspection techniques and protocols will also be discussed. Case studies will be offered during the presentation to provide further context.

Speaker: Krista Martin, D.C.

Topic: Analyzing the Chiropractic Personal Injury Claim-Determining Medical Necessity and Preventing Excessive Claim Payments (1 hour)

Parking: Valet available at The Noelle Hotel at 200 4th Avenue North – Let the valet know you are attending an event at the City Club. You will pay \$10 to the Receptionist at the City Club and they will provide a sticker on your valet stub. Regular Pricing is \$25 in the parking garage.
